

## How to download the Bristol Conference App

The App is accessible on all devices.

You can download the app from your store of choice by searching for **SBNS Meetings**

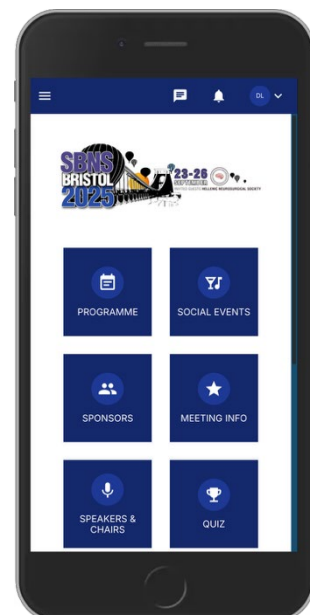

Sign in with the email address that you used to register for the event, create your password & login.

**If you have logged into this platform provider before, your password will be the same, if you've forgotten this simply select 'forgot password' upon logging in and reset.**

Once you have the app on your device you should click the icon on the top right of the screen and create a profile.

The App is essential to maximise your time at this conference and has everything you need before and during the meeting.

- Full programme, Abstracts & electronic posters  
(*don't forget to ♥ the Posters you found interesting*).
- Information on key speakers
- A guide to the Exhibition and sponsors
- Details of the Social Events
- General information about the Venue/Directions/Guidelines/ Future Events
- Access the sessions virtually through the Live Stream icon
- **Don't forget to click on the Quiz icon and complete the quiz – you could win a prize!**

## Q&A – How to ask a question about a talk

1. Select Programme from the sidebar
2. Choose the session in which you wish to ask your question
3. Choose the Q&A button
4. Choose the 'Ask A Question button', type your questions and tap Submit
