Long-Term Follow-Up and Patient Management in iNPH: The Beaujon Outpatient Hydrocephalus Center

Hôpital Beaujon AP-HP

Program:

- Introduction: Overview of iNPH and the importance of structured long-term follow-up
- Center & Team: Presentation of the Beaujon Outpatient Hydrocephalus Center
- Patient Selection & Diagnosis: Referral criteria, outpatient evaluation
- Outpatient Pathway: Patient journey in the ambulatory setting
- Shunt Placement & Early Follow-Up
- Long-Term Follow-Up
- Panel discussion

Speaker:

Stéphane Goutagny, Professor of Neurosurgery and team

The Neurosurgery Service at Hôpital Beaujon (AP-HP) provides recognized expertise in hydrocephalus and cerebrospinal fluid (CSF) disorders, with a dedicated focus on idiopathic Normal Pressure Hydrocephalus (iNPH). The center combines multidisciplinary outpatient pathways with structured diagnosis, shunt placement, and long-term follow-up tailored to iNPH patients. Integrated within AP-HP's Neurosciences DMU and Paris Cité University, Beaujon delivers evidence-based care across the head-neck-spine axis.

AGENDA 2025-2026

November 11, 4:00 – 5:30 pm CET

Assessment for intervention in iNPH: delivering diagnostics at scale

Addenbrooke's Hospital, Cambridge – UK

November 20, 4:30 – 6:00 pm CET

Idiopathic normal pressure hydrocephalus: a streamlined six-step algorithm

Università degli Studi di Brescia, ASST Spedali Civili di Brescia – Italy

December 3, 4:30 – 6:00 pm CET

iNPH at a CSF Center – Basic Management and advanced CSF Neuroscience

University of Freiburg – Germany

January 14, 4:30 - 6:00 pm CET

NPH patient follow-up and long-term management

Hôpital Beaujon, Clichy – France

February 11, 5:00 - 6:30 pm CET

NPH treatment and complication IRCCS Istituto delle Scienze Neurologiche,

Ospedale Bellaria, Bologna – Italy

March 18, 4:30 - 6:00 pm CET

From Ideas to Insights. A closing conversation to reflect on what inspired you, what you're exploring, and what you'd like to understand better.

Hôpital Beaujon AP-HP – France

NPH Webinar Series

Who is it for?

The NPH Webinar Series is open to all healthcare professionals involved in the diagnosis, treatment, and long-term management of Normal Pressure Hydrocephalus (NPH).

This includes, among others: neurologists, neurosurgeons, geriatricians, neuroradiologists, neuropsychologists, physiotherapists, and rehabilitation specialists.

The series is designed to reflect and support the multidisciplinary nature of NPH care.

How to register

Participation is free of charge. Registration is required to access the live sessions and recordings.
